MOTION FOR EXTENSION OF
DEADLINE TO FILE REQUEST FOR
RECONSIDERATION OF TTAB
DECISION

Applicant hereby moves the Trademark Trial and Appeal Board for a thirty (30) day extension of the current March 9, 2016 deadline for filing a request for reconsideration of the TTAB's February 9, 2016 decision in this ex parte appeal. If granted, the new deadline would be April 8, 2016. This is Applicant's first request for an extension of the deadline for filing a motion for reconsideration.

Argument

Pursuant to Section 1219.01 of the Trademark Trial and Appeal Board's Manual of Procedure, an extension of time for filing a request for reconsideration in an ex parte appeal may be granted by the Board upon a written request showing good cause for the requested extension. As good cause for the current extension request, Applicant notes the following:

Foreign Applicant Contact. Applicant is a foreign partnership, located in India. Due to time differences, language translation and client travel issues, communication between the client contact and the undersigned counsel often requires additional time. *See* TBMP ¶1203.02(d) ("Depending on the totality of circumstances, good cause has been found [based on] the need to get instructions from a foreign applicant").

Applicant believes that it has demonstrated good cause for a single, thirty (30) day extension of the current deadline for filing a request for reconsideration in this matter. Please contact the undersigned with any questions regarding this matter.
